## From the Pastor's Desk

*By Pastor Kevin Phillips*

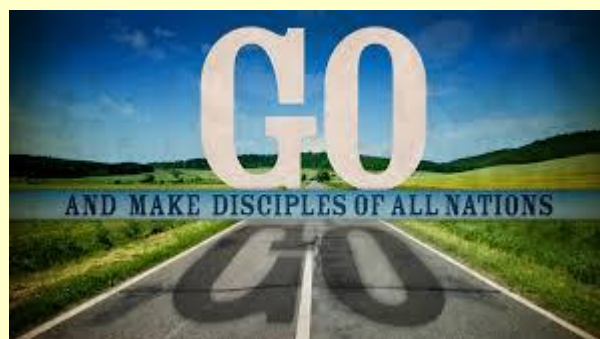

Church on the Street has begun, and what a successful first day on the courthouse lawn. We enjoyed the presence of a number of guests who enjoyed our hospitality while we worshipped, shared testimonies, and presented the good news about Jesus. Everyone enjoyed hot dogs from the grill and great conversation with one another.

All this is very good, but the point of church on the street is fulfilled long term, not in a single or periodic event. Church on the street is about fostering relationships, showing love and concern, eventually pointing others to Jesus. This will not happen overnight, but we have experienced an incredible start.

I would like to thank Rick & Kelly Jordan for getting this ministry relaunched at our church. Their passion for Jesus is incredible and contagious. Thank you as well to everyone who has come in support of this ministry, helped with setup and teardown, and invited others to come.

Church on the street is simple and fun, while fulfilling God's desire for the church to reach out and share Jesus with our community. It is our new focus ministry in the church. If you are not yet planning on attending, do come. You will enjoy yourself and fulfill the great commission at the same time.

In his parable of the great banquet, Jesus urges us to "Go out to the highways and hedges and compel people to come in, that my house may be filled" (Luke 14:23, ESV). Remember, the message of Jesus is valuable and life-changing. Don't hold it in- share his transformational power with everyone around you.

NEWS & NOTES

May was another exciting month at Hillsdale Assembly of God. For those of you who were a part of it, thank you. If you were not, you are missing out. Make sure you are choosing to be a part of the exciting things that God is doing here.

We had a great Mother's Day service and gave away some really cool appreciation gifts to all our mothers. Thank you, moms, for all that you do!

Our new "Church on the Street" services on Wednesday nights have been absolutely powerful, and you are missing the boat if you are missing these services. If you want to bless yourself and our community through acts of service, sharing and just loving on people, come on out and be a part of Church on the Street Wednesday nights from 6:30-8 p.m. This is your mission field...

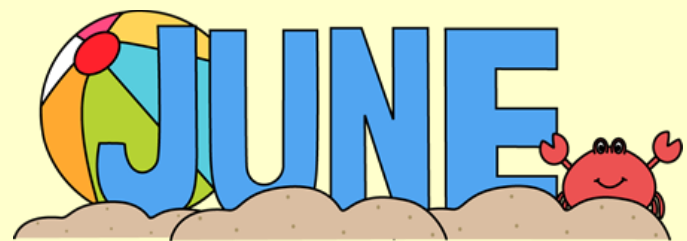

A special thankyou to all our veterans who have fought for us and defended our freedom. Memorial Day has come and gone, but every day we ought to honor those who have served and those who have made the ultimate sacrifice to give us the freedoms we enjoy.

Until next month- God bless you and make some news!
