

Heavenly Father *by Gary*

Our Father, who in heaven art,
Is Holy all, not just a part;
His kingdom here for every day,
If we His will, keep not at bay.

Throughout the week, not just on seven,
His Son is here, just as in heaven;
We ask from Him, with each new day,
Our need to eat and what to say.

Erase our sin that kinship smothers,
As we confess and forgive others.
And keep us from the things that tempt,
With wisdom which, is Spirit sent.

The entire kingdom to Him belongs,
The power His, through act or songs;
God's glory abounds in all creation,
Now to eternity for every nation.
