

Harmonic Reading of the Gospels

This is an organized harmonic reading of the gospels. In simple language, we have taken scriptures from the four gospels, or the four stories about Jesus in the Bible. The readings are organized to give the entire story, providing one reading of duplicated stories and including material original to each gospel. This series of reading has favored longer readings from one gospel at a time, rather than reviewing each duplicated story for maximum content. If you read these scriptures in this order, you will get a full picture of the life of Jesus Christ. You can print this document and use it as a reading checklist.
